

# An AI classroom companion. In a browser tab.

Talk to 12 personalities. Voice in, voice out. Zero telemetry.

## 12 personalities

Pirate, professor, detective, chef, scientist, comic, bard and more — each with its own prompt, voice and vibe.

## Bring your own AI key

Groq, Gemini, Cohere, Mistral, OpenRouter — or Demo mode (offline) for the first five minutes of class.

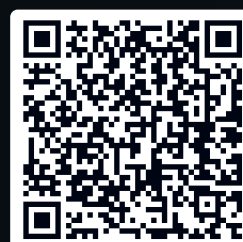

## Parental controls

PIN-lock settings, lock to Demo-only, session timer with auto-logout. Keys stay in the browser.

Chrome / Edge · No account · Zero telemetry  
PWA-installable · Open source friendly
